Linda Ward has 30+ years experience as a full-time real estate professional specializing in residential properties and corporate relocation. She is a Certified Residential Specialist (CRS), Graduate Realtors Institute (GRI), and Accredited Buyer Representative (ABR). Linda is a consistent multi-million dollar producer and winner of the 2012 Realtor of the Year Award. She graduated from East Carolina University with a BSBA in Real Estate.

At ASSOCIATED BROKERS REALTORS® we work for YOU!

Your property is our primary interest, not property we own. Our business is selling Greenville area properties to and for other people. Associated Brokers has no financial interest or ownership in the building of residential property.

To give your property immediate exposure to our member agents in the area, your home will be entered into the Multiple Listing Service within 24 hours of listing with us. As members of the Multiple Listing Service, we have information and access to all the properties for sale in this area whether they are our listings or those of another firm. Please call us for information on any properties in the Greenville area.

All our agents are full-time real estate professionals and affiliated with the Greenville-Pitt Association. We have no part-time brokers or agents. Our people have an average of 25 years experience.

Our fee is a success fee. If we don't sell your house, we don't get paid. We can work for the seller as subagents or for the buyer as buyer's agents. Both types of representation are paid from the listing fee at closing.

Call us today at 252-756-8410 or visit us on the web at www.greenvilleNChomes.com.
